Total booked value

PHP 22,800.00

The values above reflect the report screenshot. They do not prove payment settlement or constitute an audited annual revenue total.

Operational overview

COMPLETED MAINTENANCE COSTS

PHP 14,500.00

Monthly maintenance distribution

October 2026: PHP 12,000 | November 2026: PHP 2,500

Methodology and limitations

Source: CarEase admin Reports & Charts screenshots and project ZIP reporting logic.

The screenshot shows six bookings and five fleet vehicles as of November 12, 2026.

The annual report is a designed snapshot, not a live-generated database report.

For a final annual PDF, connect a backend report export to verified MySQL data.
